

CREATE YOUR PERFECT DAY PLANNING

Where would you live?

What would your house look like?

What time would you wake up?

What would you do in the morning?

(It is SO IMPORTANT TO see these things in DETAILS)

What would you have for breakfast?

What thoughts would you be having in the morning?

How would you spend the first half of the day?

What would you have for lunch?

Who would you eat with?

What would your friends be like?

What would you talk about?

DEEPER STUFF

What would you do for personal fulfillment?

What life purpose would you strive towards?

What would your business be?

What hours would you work?

What are your clients like?

THE REALLY DEEP STUFF

What is your relationship like?

What do you do for family time?

Winding down...

What would you do at night?

Who would you do it with?

Where?

What are your thoughts before going to sleep?
